

Mid-term Review Meeting

Tenerife, Spain: January 27th – February 7th

Week 1: Observational and Project Management Training

(required for fellows – optional for others)

Sunday, January 26th:

- Check in at Hotel Principe Paz, Santa Cruz

Monday, January 27th: FRACTAL Project Management Course

- 09:30 - 18:30: Project management training workshop given by *M. García*, CEO FRACTAL, in the GTC Room of the IAC Headquarters, La Laguna

Tuesday, January 28th: FRACTAL Project Management Course

- 09:30 - 18:30: Project management training workshop given by *M. García*, CEO FRACTAL, in the GTC Room of the IAC Headquarters, La Laguna

Wednesday, January 29th: Visit WHT/GTC Telescopes on La Palma

- 09:45: Check out from Hotel in Santa Cruz and take Tram up to IAC
- 10:30 - 11:30: Tour of Instrumentation Division and facilities at the IAC
- 11:30 - 12:00: Taxi to TFN Airport
- 13:00 - 13:30: Fly to La Palma (Binter Flight 621)
- 13:30 - 16:00: Lunch on La Palma
- 16:00 - 17:30: Transfer to observatory and check in at residencia
- 17:30 - 18:30: Pickup dinner at residencia
- 19:00 - 23:00: Visiting WHT/GTC Telescopes

Thursday, January 30th: Observational Training with Isaac Newton Telescope

- 12:30 - 13:30: Lunch
- 14:00 - 15:00: Tour of GTC telescope
- 15:00 - 17:00: Instrument/telescope setup
- 17:30 - 18:15: Dinner
- 18:30 - 07:30: Observing A. Ponomareva's project galaxies

Friday, January 31st: Observational Training with Isaac Newton Telescope

- 17:30 - 18:15: Dinner
- 18:30 - 07:30: Observing A. Ponomareva's project galaxies
and data reduction training lecture (*J. Knapen*)

Saturday, February 1st: Flight + Transfer to San Blas Hotel, Tenerife

- 14:00/18:00: Flight to TFN (Binter Flight 622/636)
- 15:30/17:15: Bus+Taxi from TFN to Hotel San Blas

Sunday, February 2nd: Rest and arrival of other network members

- Free Day

Week 2: DAGAL Network Meeting

Monday, February 3rd: Fellows Training and Research Showcase

(Chairs - *A. Tsatsi/ A. Bouquin*)

- 09:00 - 09:15: Welcome from LOC
- 09:15 - 10:45: 3 x 30min (15 min talks + 15 min questions/discussion) by DAGAL Fellows
(*S. Díaz García, M. Herrera Endoqui, A. Bouquin*)
- 10:45 - 11:15: Coffee, Tea, Bathroom Break
- 11:15 - 12:45: 3 x 30min (15 min talks + 15 min questions/discussion) by DAGAL Fellows
(*B. Roeck, M. Querejeta, A. Ponomareva*)
- 12:45 - 15:45: Lunch
- 15:45 - 16:15: Summary of public outreach training, plans for future activities
(*A. Ponomareva/F. Iannuzzi*).
- 16:15 - 18:15: 4 x 30min talks by DAGAL Fellows
(*A. Tsatsi, F. Fragkoudi, F. Iannuzzi, R. Leaman*)
- 18:15 - 18:45: Recap talk by *G. van de Ven* and *A. Bosma* with wine/beer/refreshments

Tuesday, February 4th: State of Research in our Field

(Chair - *A. Ponomareva*)

- 09:00 - 09:45: *B. Madore* ("The Reification of Galaxies")
- 09:45 - 10:30: Training on writing a postdoc application/research proposal
(*M. Verheijen, E. Schinnerer*)
- 10:30 - 11:15: *B. Madore* ("What is This Thing Called the Schmidt Law?")
- 11:15 - 11:30: Coffee, Tea, Bathroom Break
- 11:30 - 12:00: Fellows project planning with secondary node leaders
- 12:00 - 12:30: Mentor-Fellow training meetings
- 12:30 - 13:00: Review and discussion of public sector/industry training opportunities
(*M. García + R. Khanna*)
- 13:00 - 14:15: Lunch
- 14:15 - 19:00: Visit to Teide Observatory

Wednesday, February 5th: Mid-Term Review

- 09:00 - 09:30: Introduction by *J. Knapen* and *M. Levonen* (EU Program Officer/REA Representative) + Node Leader Tour de Table
- 09:30 - 10:15: Coordinator report (*J. Knapen*)
- 10:15 - 10:30: Coffee, Tea, Bathroom Break
- 10:30 - 12:30: Fellow Reports to REA Representative (focusing on network training activities/connections, impact of the network on their future career; 10 min each + questions)
- 12:30 - 14:30: Lunch
- 14:30 - 16:00: Meeting between Fellows and Executive Agency Representative
- 14:30 - 16:00: Management Board Meeting (in parallel)
- 16:00 - 16:30: Coffee, Tea, Bathroom Break
- 16:30 - 18:00: Audit, external expert comments, open discussion
- 19:30: Conference Dinner at San Blas Hotel

Thursday, February 6th: Connecting DAGAL to the Astronomical Community

(Chair - *M. Querejeta*)

- 09:00 - 09:45: *A. Brooks* (Talk on [developments in galaxy simulations] Part 1)
- 09:45 - 10:15: Horizon 2020 Presentation (REA Representative)
- 10:15 - 11:00: *A. Brooks* (Talk on [developments in galaxy simulations] Part 2)
- 11:00 - 11:15: Coffee, Tea, Bathroom Break
- 11:15 - 12:35: “Hot news in literature” review: 4x 20min
(*A. Vazdekis* - variable IMF; *A. Brooks* - WDM/feedback; *A. Gil de Paz*: HI+H₂ Content and star formation; *E. Schinnerer* - Dynamical drivers of star formation)
- 12:35 - 13:15: Linking simulations/theory to observations: (*C. Dalla Vecchia*)
- 13:15 - 15:45: Lunch
- 15:45 - 18:30: Splinter Working Groups: Fellows Using Experts, Observing Proposals/Publication Brainstorm, General Research Collaborative Time (Coordinators - *J. Beckman*, *H. Salo*)
- 18:30 - 19:00: Recap talk by *J. Falc3n-Barroso* and *E. Laurikainen* with wine/beer/refreshments

Friday, February 7th: Development, Cooperation and Future Directions

(Chair - *S. D3az Garc3a*)

- 09:00 - 09:45: *D. Gadotti* (Talk on [BH/bulge scaling relations] Part 1)
- 09:45 - 10:15: Suggestions for Future Directions: Simulations, Observations, Network, Career (*A. Brooks*)
- 10:15 - 10:30: Coffee, Tea, Bathroom Break
- 10:30 - 11:15: *D. Gadotti* (Talk on [BH/bulge scaling relations] Part 2)
- 11:15 - 13:00: Splinter Working Groups: Fellows Using Experts, Observing Proposals/Publication Brainstorm, General Research Collaborative Time (Coordinators - *R. Peletier*, *L. Athanassoula*)

- 13:00 - 13:30: Suggestions for Future Directions: Simulations, Observations, Network, Career (*D. Gadotti*)
- 13:30 - 15:30: Lunch
- 15:30 - 16:15: Workshop Network and Science Review Talk (*B. Madore*)
- 16:15 - 17:00: Challenges moving forward in the DAGAL Network: The Next Year
- 17:00 - 17:15: Closing comments by LOC with wine/beer/refreshments

Saturday, February 8th

- 10:00 - 16:00: Unofficial Winery Tour
